

Higher Education Academic Certificate with IELTS

The Higher Education Academic Certificate with IELTS is a full-time intensive course, designed to help students reach an appropriate level of proficiency in English and Higher Education Academic Skills for entry into their intended university departments.

The course concentrates on English for Academic Purposes and provides a solid foundation in the language skills necessary for successful academic study through the medium of English.

The course is particularly suitable for students who need to get the required grade in the IELTS test for university entry.
